**JOB SERVICE WORKFORCE CENTER REPORT:**

- They will be interviewing for the manager position on Dec. 17th
- All staff attended a webinar or “go to” meetings on the FAFSA this week

- **501c3- No Report**
- **Scholarship-**There have been a few more donations.

- **Job Fair**-General discussion—the decision has now been made to conduct the Job/Career fair on the 30<sup>th</sup> of March. The community schools have been contacted and there would be a pretty good attendance from them, so we will go with it for that reason.  
Mrs. Markle has booked the gym for us, tentatively, and a telephone survey is in progress for area employers to see if there is enough interest. Positive results so far. We will plan on incentives, purchased from the local committee to hopefully intise the students to attend. (possibly iPods, etc.)
- We will not be hosting a state meeting this spring, there will be one, but it will be held in Helena.

#### **NEW BUSINESS:**

- There was no new business to discuss.

#### **Correspondence:**

Under correspondence, we talked about the committee having sent Stacey flowers upon the arrival of her son.

We also talked about the Newsletter and the JSEC committee was highlighted in an article.

Bob let us know of a program call REACH that will be happening in January and will involve 13 students participating in the health care professions.
